THE ORIGIN

It comes from young vineyards, located in the highest part of Langhe, where grapes provide both freshness and acidity.

THE VINIFICATION

It is carried at low temperatures to maintain the fragrance of the grapes, it is refined in steel vats for one year in order to keep the perfume of flowers and fresh fruits.

THE MEANING

A wine with a great personality: when we decided to produce our first white wine, we wanted to have a long living wine as Barolo is. That's why Riesling.
